

Practice A6.1

Style guide - Ismael Fuentes Sintes

Requirements of the practice

The website must have:

At least 3 pages:

- Front page and two more pages.
- Must be responsive.

At least one of each of this items:

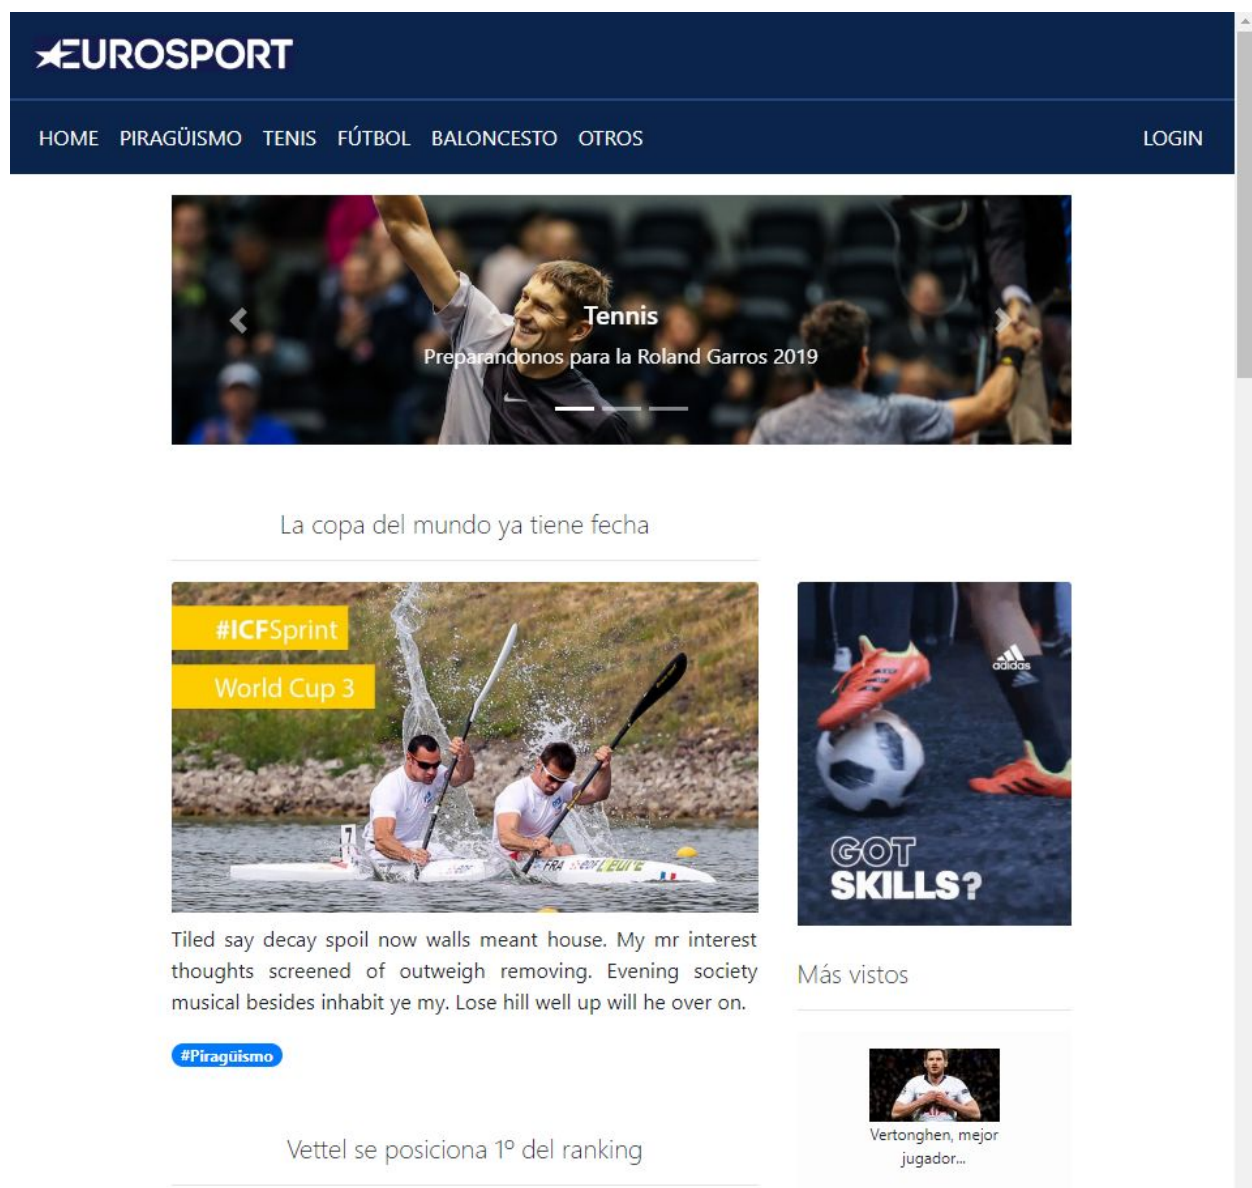

- CSS Grid.
 - CSS Flexbox.
 - SASS.
 - JQuery effects.
 - Bootstrap elements (Grid, cards, badges, tables, etc...).
-

Web design - Front page

It contains some fake news, adverts and a most viewed section (only the first card has a link to the news.html page).

For this page i used mainly bootstrap, the grid system uses:

- 3 columns on PC.
- 2 columns on IPAD/TABLETS.
- 1 column on mobile.

Then we have the footer with the classic social media icons:

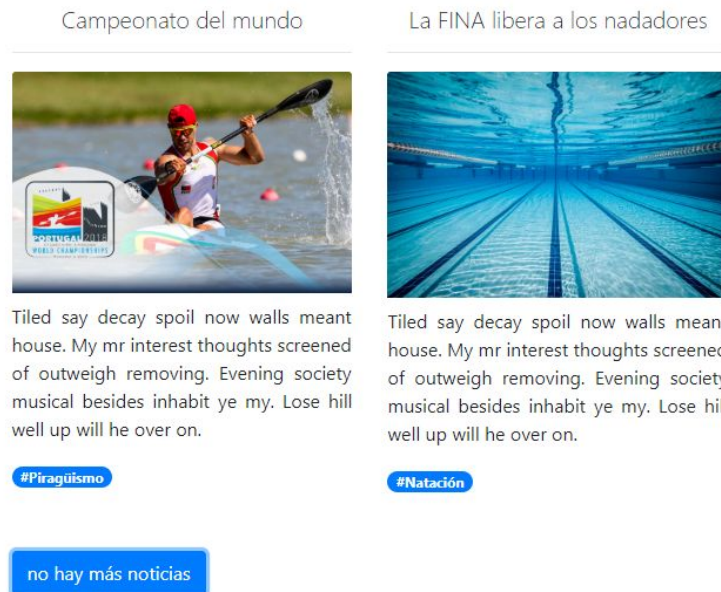

i added two new and functional elements:

The top arrow button:

- Only appears when the user scrolls down enough through the page and it basically returns the user to the page's top.

The “view more news” button:

- it displays to new cards:

Web design - news page

The whole structure of this page was made with CSS grid and CSS Flexbox, only using bootstrap for some colors, fonts and others.

Contains all the info and descriptions from the news (CSS GRID):

On mobile version, the right side of the page is not displayed.

Then we have the related news:

¡Siguenos en nuestras redes sociales!

Just like the front page, the cards are displayed as (CSS FLEXBOX):

- 3 columns on PC.
- 2 columns on IPAD/TABLETS.
- 1 column on mobile.

Web design - login and register

A simple form with user and password fields:

The screenshot shows the top section of a web page. At the top is a dark blue header with the 'EUROSPORT' logo in white. Below the logo is a link that says 'VOLVER'. The main content area has a light gray background. It features a 'Login' heading, followed by two light blue input fields with user and password icons. A blue 'Login' button is below the fields. At the bottom, there is a link that says '¿Aún no tienes cuenta?' and a blue link that says '!Regístrate!'.

The “register” link displays a hidden div with a register form (made with bootstrap collapse class) and an applied smooth transition (implemented with JQuery)

The screenshot shows the registration form, which is displayed below the '¿Aún no tienes cuenta?' link. The form has a light gray background. It features a '¿Aún no tienes cuenta?' heading, followed by a blue link that says '!Regístrate!'. Below the link are four light blue input fields with user, email, password, and repeat password icons. A checkbox labeled 'Recibir notificaciones sobre las nuevas publicaciones' is below the fields. A blue 'Registrar' button is at the bottom.
